Communication

Regular communication between home and school is an important factor in the academic success of students. Parents are encouraged to contact Destin High School office (850-204-4044) anytime they wish to discuss their child's academic progress or general welfare. The DHS staff relies on informal communication with parents concerning attendance, minor discipline issues, student directory information, and other items that may occasionally emerge. Should you need to contact your child's teacher or someone on our staff, the most efficient way to do that is through email.

Destin High School Web Page

From the DHS Home Page, parents may access a variety of information including the Code of Conduct, School Handbook, Annual Report and general information on curriculum and instruction. The web address is www.destinhighschool.org.

Student Email Accounts

DHS students have been assigned a school email. The account remains active as long as a student uses it responsibly and is enrolled at DHS. Although students may have other personal addresses, **it is important to use their DHS account for school-related communications** as teachers and staff will be using these accounts for distributing important information about their classes and school business.

DHS Newsletters

Parents may expect newsletters to be shared digitally via Facebook, Messenger, and or Website with information concerning current school events and other timely topics. Individual class information on special topics of interest to specific grade levels are periodically produced and distributed to students and parents. A hard copy will be made available upon request.

Grade Reports/Student Progress

Student grades and report cards are available to parents via the Parent Portal on FOCUS.

Advisory/Volunteer Committees

As a small school, we enjoy the opportunity to communicate directly with parents on a regular basis. School Advisory Council business meetings are held on a regular basis for formal action on issues requiring advisory committee action. Additional meetings may be scheduled as needed or requested by School Advisory Council members or school staff. Parents are welcome to visit the school at any time and are encouraged to communicate through formal surveys and informally as desired with the school administration. Regular “Coffee with the Principal” meetings will be set up for parents to meet with and communicate ideas and concerns with the Principal. Many opportunities are available for parents to serve on volunteer advisory committees and to assist with school activities and events.

School Closure Guidelines

In the case of a weather-related emergency, Destin High School will coordinate closely with the Okaloosa County School District, as well as city and county officials. The school will observe the following guidelines regarding closure during such circumstances:

1. Destin High School will close when Okaloosa Counties schools are closed and are placed in a “Hurricane Warning” status by the National Hurricane Center as reported by the network media and confirmed by the Okaloosa County Emergency Centers.
2. Destin High School will remain closed throughout the hurricane/tropical storm event.
3. If the school suffers damage, the closure period will be extended if necessary to make repairs and will re-open as soon as possible. If an unusually long period of time is necessary for repairs, arrangements will be made for alternate instructional sites.
4. When Destin High School is closed, all school-related events are canceled.
5. Destin High School will attempt to coordinate closure information and status reports with the local radio and television stations. The school voice mail system will be updated to indicate the latest schedule information.
6. In the event of a mid-day closure, every attempt will be made to adjust bus transportation schedules accordingly. Parents should be prepared to assist in getting their students home in such emergencies. In no case will students be allowed to remain at the school during a period of closure.

EMERGENCY SCHOOL CLOSURE PROCEDURES: In the event of a severe weather alert or other emergency requiring the mid-day closing of the school between 7:00 and 4:30 p.m., the following procedures will apply.

1. Students who are in the building at the time of the emergency will remain in the building.
2. The Principal or designee will use the daily attendance records to account for each student at the time of the emergency.
3. Students who drive to school will be allowed to call parents to verify permission to leave campus. A DHS staff person will speak with parents to verify permission to leave campus. If unable to reach a parent directly, students who drive their own vehicles will be allowed to leave campus after signing out if the nature of the emergency does not place students in greater danger upon leaving.
4. Students who do not drive to school will remain in the building or other designated place of safety until parents are contacted and transportation is arranged.
5. The Principal/designee will use the emergency contact phone process to notify parents to pick up students or to make other arrangements for their child.

Note: To ensure smooth communication in emergencies, parents should notify the DHS Office of any change in home, work, and/or emergency contact telephone numbers as soon as possible.

6. The Principal or designee will contact the transportation provider to coordinate transportation schedule changes as needed. If a schedule change is unnecessary, students remaining until the end of the school day will follow the normal transportation schedule.
7. DHS staff will remain on duty until arrangements are made for all students or until dismissed by the Principal.
8. If telephones are working, the DHS Office voice mail system will have the most current information on closure, as well as other related instructions for students.

FERPA

Under the Family Educational Rights and Privacy Act (FERPA), schools may disclose without consent, ‘directory’ information such as a student’s name, address, telephone number, date and place of birth, honors awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify Parents and eligible students annually of their rights under FERPA.

ATTENDANCE: ABSENCES

“Each public K-12 student must remain in attendance throughout the school year, unless excused by the school for illness or other Good Cause...” F.S. 1003.04; 1003.21; 1003.24; 1003.26. Regular attendance provides students the opportunity to master required skills at each grade level. Many integral activities, including class discussions, group experiences, field trips, guest speakers, and direct instruction, cannot be simulated or replicated with written work. Therefore, with the goal of promoting student success, Destin High School has adopted a uniform attendance policy. It is our intent to encourage honest, accurate, and consistent adherence to this policy by all students, parents, teachers, and administrators.

Absences Defined

Students will be counted in attendance only if they are physically present or if they are away on an official field trip or other school activity. A student who is not in class for at least one-half of the class period shall be counted as absent.

Excused absences are absences resulting from:

- Death in the family or any other bona fide family emergency.
- Illness or injury requiring medical or dental attention (Physician’s statement required).
- Illness, injury, or circumstances not requiring medical attention will require a parent note explaining the absence.
- Appointments for medical or dental care (Physician’s statement required).
- Religious holidays: Pupils are permitted to be absent in observation of established religious holidays, but they must be counted absent on all school records. Absences of a religious nature, preceded by prior parent notice, will not require written notification on the student’s return to school. Religious holidays considered excused absences include Good Friday, Yom Kippur, Passover, Rosh Hashanah, and Hanukkah. Students may be excused for other religious holidays if a parent makes a request in writing **five (5) days prior** to the absence.

Unexcused absences are absences resulting from:

- Unverified absence
- Truancy
- Suspension (suspension absences do not impact driver’s license suspension)
- Expulsion

School Leave is an approved activity or event where the student is participating during school hours. Students must complete MIS 5185 form, signed by a parent, and returned to sponsor/coach prior to event.

- Students will not be marked absent during the period(s) of leave
- Students must see their teachers about missed work **prior** to the event
- Students must follow each teacher’s requirements for turning in missed assignments
- If a test is missed, the student will be required to make up the test on the first day back from the event.

Absences, Accumulation of Nine (9)

When a student accumulates a total of nine (9) excused or unexcused absences in any class period per semester, the student must have a note from a doctor or official agency (i.e., Department of Juvenile Justice, Department of Children and Families, etc.) for each subsequent absence to be excused.

Absences, Accumulation of Fifteen (15)

After the fifteenth (15th) absence per semester in any class period, **no make-up work** will be allowed. The student's parent or legal guardian can appeal to the school's attendance review committee for permission to make up missed work, provided the nature of the absence(s) was an insurmountable or extraordinary situation or event that placed an undue hardship on the student. Students will be assigned detention for all unexcused absences after fifteen (15).

Reporting of Absences

To excuse an absence, parents must call the attendance office at (850)204-4044 to report a student's absence the day of or send a note explaining the nature of the absence the day the student returns to school. The note should be submitted to the attendance office between 7:30 and 7:55 a.m. By 8:15a.m., parents must inform the office via attendance@detinhigh.org.

Students will have five (5) school days, including the day they return, to bring in written verification for an excused absence. The absence will be considered unexcused if the school does not receive written verification or a phone call for the excused absence within that time frame.

Absences Leading to Suspension of Driver's License

Each public-school Principal or designee is required to notify the School Board of each minor who accumulates fifteen (15) unexcused absences within ninety (90) calendar days. The superintendent must report each minor who fails to meet attendance requirements to the Department of Highway Safety and Motor Vehicles to have his/her **driving privileges suspended**. A student who has his/her driving privileges suspended may have them reinstated when the student accumulates thirty (30) consecutive days of school without an unexcused absence. Within that 30-day period, if the student were to have an unexcused absence, he/she would have to restart the 30-day process (F.S.1003.27).

Checking Out of School

All appointments involving students should be scheduled after school hours. However, if an appointment cannot be handled after school hours, the student should bring a physician's appointment card or parent note to the front office between 7:30 and 7:55 a.m. the day of dismissal. Students will not be released to anyone except parents or their authorized representatives (written certification and identification are required) during school hours. These authorized representatives must be noted on the student's emergency screen by use of the emergency card. Students must go to the front office and sign-out prior to leaving campus. Students who leave the school grounds without an authorized dismissal slip are considered truant.

Make Up Work

Students will be provided five (5) school days to complete assignments following an **excused absence**; the five (5) day period begins the day the student returns to school. However, the teacher and/or principal may grant additional time for make-up work to be completed if the situation warrants. **It is the student's responsibility** to request make-up work for excused absences (up to 15). Students absent for multiple days are expected to seek and work on make-up assignments, as medically appropriate and practical.

Students absent for any reason on a school sanctioned/sponsored trip on the day a previously assigned project is due, or a previously assigned test is scheduled, will submit the project or take the test the day of his/her return, as appropriate and practical. At the discretion of the Principal, additional time may be allowed. Principals will ensure that teachers provide make-up assignments upon parental or student request. Make-up work will be provided no later than 24 hours following a parental or student request.

Exam Exemption Policy (For non-state mandated tests)

Each classroom teacher will determine if a student is eligible for exemption from their final exam. The averages and absences will be determined by class period. The following guidelines will apply to semester exams. All students will be required to take mid-term exams at the end of 1st quarter and 3rd quarter.

A student may qualify for exemption from a SEMESTER exam IF...

The student has an **A average in the class** with no more than 5 excused absences

The student has a **B average in the class** with no more than 4 excused absences

The student has a **C average in the class** with no more than 3 excused absences

In addition, the student must have:

No more than 5 tardies to school for the semester

No unexcused absences

No office referrals

TARDY POLICY – SCHOOL AND CLASS

Tardy Policy to School

The school day begins promptly at 8:00 a.m., Monday through Friday. Students should be inside in their first classroom by the designated time. Students who arrive at school after the designated time must sign in with the front office. Parents may excuse up to three (3) tardies to school per semester; this means that a student may receive an excused tardy with a parent note three times – after the third note, the tardies will be unexcused and discipline will be administered. The note must be presented at the time the student checks in. If a student has a note from a physician, that tardy will be considered excused.

5th Tardy – 1 day ISS (In School Suspension) or detention for no show.
Additional tardies will be addressed and assessed for discipline by administration.

Tardies will rest at the beginning of each month!

Tardy Policy to Classes

TARDY: A student who is not present at the class start time will be marked tardy if they are subsequently present for 25% or more of the period. Excessive tardies to class will result in disciplinary action.

ABSENT: A student who is not present at the class start time will be marked absent if they are subsequently present for less than 50% of the period.

Principal/Teacher Withdrawal from a High School Class

The Principal, in consultation with the high school teacher, may withdraw the student from class if the number of absences is excessive and will negatively impact the student's chance of successful course completion. Depending upon the timing and circumstances of the withdrawal, the student may lose the course credits, enroll in a comparable high school course, be redirected to individualized performance-based instruction, or be enrolled in an alternate high school course for the remainder of the semester. If withdrawal from the course is unavoidable and is based on excused absences, efforts will be made to provide alternate instructional options so that the student does not fall behind in earning credits toward completion of the high school diploma.

Academic Honesty Policy

The use of any form of unauthorized aid to complete an assignment or test is cheating. This activity is defined as, but not limited to:

- Submitting for class credit any project or material which is partially or totally the work of someone else, including copying papers, homework assignments or tests.
- Preparing work for another student or giving/lending assigned work to another student who will represent this work as his/her own.
- Communicating with anyone other than the teacher during a test, including giving or receiving verbal, written or visual aid during a test.
- Willfully exchanging (receiving or disclosing) information as to the content of a test with any other student who will be taking the test in another class or section.
- Using the Internet to copy work or post work for other students to copy.
- Plagiarizing work in any form, including plagiarism committed by a member of a group in which the group is responsible for the assignment. In such a case, all members of the group have violated the Academic Honesty Policy.

Consequences of Violations with Academic Honesty

Staff members will explicitly explain what is considered academic honesty with each class. Students who violate this will receive the following consequences:

First Violation: The student will receive a zero on the assessment/assignment. The student may receive a chance to resubmit the assignment. The resubmission opportunity will be subject to the individual teacher's policy. A parent/guardian will be contacted. The discipline form will be turned in to the front office.

Subsequent Violations: The student(s) will be referred to an administrator; ISS or suspension will be assigned. Multiple offenses in the same class may result in a failing grade for the class.
