

HQC Oversight and HQ Employees

Personnel

The individual responsible for daily direct instruction for each course will be identified within the Individual Learning Plan. The documentation will include the specific qualifications of the individual responsible for the daily direct instruction. The consultations, direction and oversight from the VCA Highly Qualified Coordinator (HQC) in the core academic areas is dependent upon the qualifications of the individual responsible for daily direct instruction.. Categories determined through agreement between VCA and Colorado Department of Education personnel:

Category A - Highly qualified employee of Vision Charter Academy - no additional consultation, direction or oversight required

Category B - Contributing professional employee of Vision Charter Academy - overseen by an HQC lead meets bi-weekly in areas not highly qualified

Category C - Learning Coach– HQC consults, oversees, and provides direct support weekly

Category D - Highly qualified Learning Coach– HQC consults, oversees and provides direct support monthly in areas highly qualified

Category E - Elective or Business Vendor Oversight - HQC or Elective Coordinator consults, oversees and provides direct support monthly
